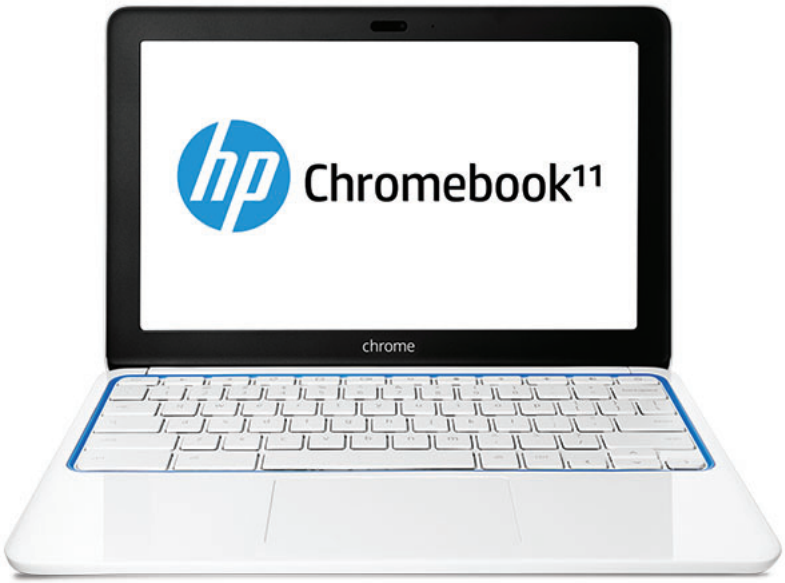
HP Chromebook 11-1126NL PC (Made with Google)

Streamlined connection to your online world

Enjoy a quick start and the ease of accessing your online content, websites and apps wherever you go thanks to the impressively thin and lightweight HP Chromebook 11.



Lean and light

The sleek and refined form is impressively thin and lightweight, making connecting from almost anywhere convenient and stylish.

View from almost any angle

Side-by-side multitasking and sharing is easier than ever with the 27.9 cm (11-inch) diagonal wide viewing angle display, providing clear images and no color shift using IPS technology.

Quick start and ready for the latest

Boots up astonishingly quick and ready to access your online content and automatically and regularly updated apps.

Plays nicely with others

Works with your other devices – your phone, tablet or an old computer – without any extra cords.

Gives you peace of mind

Virus protection built-in. No annoying updates. Chromebooks run Chrome OS, an operating system that's fast, simple and secure.

[1] 100GB of free storage is for 2 years, starting on the date you redeem the Drive offerSome things like Hangouts, voice search and auto updates require internet.
